

Am I ready for Year 1 Spanish GCSE?

# Year 9 Spanish Learning Journey

## Next steps to success

Evaluate strengths and weaknesses in order to target the main areas for revision

## Imagination is boundless

Use Spanish language creatively to design a storyboard. Sequence and structure a text of creative writing in TL.

Apply reading and listening strategies to exam situation. Perfect peer and self-assessment to improve a draft.

## From lazy to healthy

Identify distractors in a listening passage. Use time markers and connectives to signpost a paragraph. Develop strategies to decode new language

## Real facts or fake news?

Analyse and extract key information from a factual text. Differentiate between fact and opinion. Read for pleasure in TL

## Virtual friendship

Show various approaches to tackle a new source. Use context to assimilate new words. Manage time effectively

## Are hobbies necessary?

Incorporate irregular and radical changing verbs to add complexity. Expand and justify opinions.

## Is technology taking over our lives?

Understand timelines and sequencing. Use persuasive language. Develop memory skills. Consider issues of safety in social media and mobile technology

## What future for young people?

Add complexity by using comparison and superlatives. Identify and understand the two types of future. Include a variety of tenses in writing and speaking.

## My family and friends

Revise important verbs and highlight grammar misconceptions. Create detailed and varied sentences. Proof read to improve accuracy
