

NHS HEALTH AND SOCIAL CARE CAREERS FAIR

Thursday 17 March, 4.30 – 7.30pm
Middlesex University, Quad College Building

Join our on-campus careers fair and meet doctors, nurses, social workers and other health and social care professionals with the chance for you to chat with them about their job roles and experiences.

- Learn about different professions in the NHS
- Listen to inspirational industry professionals in our career panels
- Discover career options in the health and care sectors and how education and training can boost your prospects
- Hear how you can further your career in healthcare through apprenticeships in our apprenticeship talk
- Find out more at mdx.ac.uk/nhs-careers-fair
