

ACTIVITY	STAFF LEAD	ABOUT THIS CLUB	EQUIPMENT NEEDED
Football	PE Dept	If you'd like to come down and play some football with your mates, maybe get the chance to compete for the hugely successful Harrow High School football team, then we'd love to see you. Come down and join the rest of your year group each week!	PE Kit Water Boots
Volleyball	Mr Eston Miss Vilches Miss Panditha	KS3 volleyball! If you would like to come and play some volleyball open for everyone!	PE KIT and water bottle
Netball	Ms Kamboj	Why Netball Club? It improves hand-eye coordination, builds up muscle strength and stamina and develops the body's cardiovascular system. Improves the body's flexibility and nimbleness. Moreover, it burns calories, and lowers body fat if played regularly, improves upper body strength by working key arm muscles and develops depth perception.	PE Kit Water
Basketball	Coach Goncalves Mr Eston	The extremely successful Basketball Academy provides you with an amazing opportunity to be active and get better at Basketball while learning important life values and skills. You'll learn what it means to be part of a team, what it takes to reach your goals and most importantly have fun! With strong links with a National League Club, those who take part are given the opportunity to represent the School and compete in the Borough Leagues, the Jr. NBA League, the National Schools Competitions and will get the chance to be part of the Harrow Team that competes in the London Youth Games.	PE Kit Water
Badminton	Mr Houslin Mr Eston	Come along, de-stress, have some fun all while improving your badminton skills.	Trainers
Weights and Fitness	Mr Eston Mr Houslin Miss Vilches	Fitness club is about having fun while improving your fitness with other people around you. Within the fitness club we aim to exercise in fun ways using different	Water PE kit Small

		equipment, completing challenges and competing against each other. Most important of all it is an opportunity to become fitter, with the reward of achievement points/prizes for completing challenges. Come and join one of the most popular clubs around and bring your friends with you!	towel/flannel
Handball	Mr Eston	Why handball? It improves arm muscles and upper body strength, develops agility of hands and feet, with sudden changes of pace and direction required and boosts the body's flexibility. Furthermore, it improves mental focus and self-confidence, provides the body with a good cardiovascular workout, feeding more oxygen to the muscles via the bloodstream. In addition, it is great cross-training for other sports.	PE Kit Water
Army Cadets	Mr Al-Fahad	The army cadets provide leadership development and an insight into military life. activities include drill, basic military skills, climbing, swimming, canoeing, shooting, survival training, first aid, signals, fieldcraft, assault course, equestrianism and paintballing. An annual residential camp in Ministry Of Defence training areas also takes place.	Army cadet uniform
Code Club	Mr Feleppa	Code Club is a weekly opportunity to spend some time working on your coding. There are plenty of resources you can use, competitions to enter, rewards for attendance, etc. In the past, students usually found that they made good friends in Code Club, and really got ahead in CS, many of them also getting the highest grades. You are very welcome to become a part of this community.	None
Choir	Mr K Smith	Joining the choir means singing, moving, and getting into the beat of music! We practise weekly and have an active online community through google classroom, where we share music with each other. The choir does performances inside and outside of Harrow High and will be involved in several school trips to music events in London!	Water bottle
Board Games	Mr Turner	Welcome to Board Games Club, it's an opportunity to come and play some of the board/card games you	Your own Pokémon cards

		used to play, still play or come if you want to learn something new. Classic games such as Scrabble, Battleships and Chess will be available along with more modern games such as Fortnite Monopoly and Pokémon (you will have to bring your own). Hope to see you there! Mr Turner.	(if applicable to you). Face covering (must be worn).
Keyboard Club	Mr C & Mr Collyer	Welcome to Keyboard Club, do you want to improve you keyboard skills? Be able to play pieces which YOU want to play, as well as play music with your peers? Then this is the perfect opportunity for you! Come and join us in the music room, EA7 in the Arts block after school on a Wednesday. See you then!	
GCSE Drama in a Year	Mr Lodge	For year 10 and 11 learners who have a flair for the subject but chose other options. You can attend here and do the course in a year - it takes commitment, energy and a whole lot of creativity...most of all, it's great fun!	
Film Club	Mr Kmet & Miss Panditha	Welcome to Into Film! Each week, we will watch, discuss and review films across a number of genres. This is a wonderful opportunity for you to enjoy a variety of films, experience new genres and engage in discussions with your peers. You will also get the chance to write reviews and discuss conventions that help a film be a success. Through the medium of film, you can gain new knowledge and explore different topics that are relevant to our society today. Bring along your snacks and popcorn for a stress-free afternoon! We look forward to seeing you!	N/A
Knitting and Crocheting Club	Ms Piorkowska	We will be knitting and crocheting at a relaxed pace. Beginners and intermediate level welcome. Start with simple projects and build up your skills to make clothes and accessories.	
Big Sister Club	Ms Bowen	The Big Sister club is a club that is a safe space to make new friends, play games and seek advice from our sixth formers - your big sisters. Come along to play some games, learn the latest dancing trends and have a chat. You'll be able to talk openly in a less formal	

		environment; and discuss anything you might feel uncomfortable or uneasy discussing with adults - it's open to all year groups and genders so don't feel shy! See you soon!	
Band Club	Mr K Smith	Time to ROCK! A club for guitarists, bassists, singers, drummers, keyboard players and more who practise on Tuesday afternoons. Mr Kalisch-Smith helps students refine their skills playing individually and together, tackling songs from favourite bands and artists. The band performs inside and outside Harrow High at school and community events.	Musical Instruments, sheet music, water bottles
Anime Club	Mr Kmet & Mr Collyer	A club for anime lovers to share their passion and learn more about manga and anime. Come if you'd like to watch anime, and then discuss the main plot and characters together. We will also play games to learn more about Japanese culture through fun activities!	N/A
LGBTQ+ Club	Mr Memain	A safe place for learners identifying as LGBTQ+ and their allies to gather and support each other. Come to discuss LGBTQ+ related issues through sharing personal experiences or reading the news. You will also learn about LGBTQ+ History and pop culture through films, literature and art.	N/A
PLUS Club (LGBTQIA+ and Allies)	Mr Lodge	For all learners and staff who identify as 'other' or who are allied to a more progressive way of considering identity, gender and individuality. We discuss topics each week and also devise campaigns for more inclusive learning behaviours within, and outside of, school. This year's slogan is 'It's Ok... It's not OK'	Keep in touch via our chat group on Google classrooms
Bootcamp	Ms Vilches & Mr Collyer	Want to build on your fitness? Try our fitness bootcamp club! No one is judged whether you are a beginner or advanced come join and try our workouts!	Correct equipment e.g trainers, pe uniform. Water bottle
STEAM Club	Ms Esmail	Science is an extension of everyone's natural curiosity	N/A

	Mr Katbamna	<p>and is infused in our everyday lives. We have the wonderful opportunity to aid students in their investigations of the worlds of Biology, Chemistry and Physics.</p> <p>The Science Department seeks to:</p> <ul style="list-style-type: none"> *Promote a passion within students and inspire students to have a strong interest in Science. *Encourage and teach students to work independently and together successfully as a team. *Prepare students from the onset for their GCSE's by developing skills in challenging topics *Foster an inquiring and nurturing environment that boosts confidence and self esteem 	
Hablas español? (KS4 Spanish Conversation Club)	Ms Ortega	<p>¡Hola! Do you want to improve your Spanish speaking skills while having fun with authentic resources? Do you want that extra push for your Spanish GCSE Speaking exam? Would you like to know more about A Levels Spanish?</p> <p>¡Este es el club para ti! (this is the club for you!)</p>	Bring good vibes! (and your Speaking Booklet and own notebook if you want)

EAL Reading and Homework Club	Ms Sava	Would you like to become a motivated and engaged reader? If you love books, either paperback or e-books, we have all types waiting for you. Read at your own pace and level. Online reading programmes are also offered. Become an engaged reader while playing. Bilingual books available.	Your own book if preferred
History Club	Mr Ramsumer	Looking to learn more about the history of the world, specifically a period of your choosing. In that case, the History club welcomes you. In this club, we will look at a period of your choosing, looking to understand the most enticing parts of the chosen	N/A

		period	
Drama Club and Shakespeare Festival	Mr Lodge	A step up to the world of the professionals. Each term, we tackle a different play and bring it life in the studio. We also stage our annual Shakespeare piece at 'The Beck' theatre in Hayes . A truly wonderful and uplifting experience whether you are an actor, designer, director or technician!	A water bottle and trousers you can move freely in
English Homework Club	Ms Grunwald	Do you struggle to complete your English homework at home? Drop into our after school homework club where there will be English teachers available to support you in completing any homework you have and answer all your questions! There will be snacks too - come and bring your friends along as well.	Homework booklets, exercise book and a pen
Maths Homework Club	Mr Parekh	This club is for you if you want to enhance your independent study with the guidance of a dedicated Maths teacher. Our aim is to provide support for understanding the concepts you are learning about in lessons, as well as developing important study skills.	Maths homework /revision book, Maths equipment
Problem: Solved! - revision support	Ms Bulgariu	Are you ready to start your revision, but have no idea where to begin? If this is a Problem , then consider it Solved! Join us for tailored sessions on how to revise effectively.	N/A
ESOL/IGCSE Exam Revision Club	Ms Sava	Revision tips and techniques for ESOL and IGCSE exams. Not sure how to start revising? We can help you tackle the exams with confidence.	Revision Booklets
History Homework Club	Mr Lawrence	This club is for you if you want help with your homework or you just want a quiet place to sit and do your homework for History before going home. There is no defined start or end time, but my room will be open for all.	
MFL Homework Support Club	Ms Serena	This club is for you if you want help with your homework or you just want a quiet place to sit and do your homework for Spanish or Italian before going home. Why not come with some friends? Homework can be fun! You can also ask about precious homeworks...was there anything that you want explained again? Stay for the time you need to stay!!	Your homework

		look forward to seeing you!	
Inclusion Homework Club	Ms Bulgariu	Do you need any help with homework? Do you need a cosy room and a laptop to catch up with your work or maybe? Please come and join us in Inclusion and we will make sure you get everything you need. This club is also for anyone who wants to develop their English skills. We will be more than happy to provide you with interesting resources.	Homework
EAL Homework Club	Ms Ramphal	If you want help to do your homework or you just want to make sure that you are doing it correctly, this club will keep you on the right track. If you do not have wiFi at home and want online access to homework or extra work, chrome books are available, ready and waiting to be used.	
Duke of Edinburgh	Mr Al-Fahad Ms Ginesta Ms Mehta	Through a DofE programme young people have fun, make friends, improve their self-esteem and build confidence. They gain essential skills and attributes for work and life such as resilience, problem-solving, team-working, communication and drive, enhancing CVs and uni and job applications.	N/A
Peripatetic Music	Mr Lodge	We offer Violin, keyboards, Drumming and Guitar with our specialist staff. Lessons are taught on a rotating timetable at 30 minutes each week. You will have to be committed to your progress and keep a learning record with your specialist instructor. Anyone is welcome to enquire via slodge13.310@harrowhigh.com	Instruments will be provided although you can also buy your own - don't forget to bring them on the right day!
Inspire Programme	Mr Wahid	The St John's Inspire Programme is a series of events, visits, workshops and online contact for pupils in Years 9. To encourage pupils with exceptional promise to aim high, to stretch themselves academically and to be confident in making well-founded applications to a top university like Oxford	Classroom WB

PIXL Stretch	Mr Wahid	A series of talks, projects, tasks to stretch our Most Able learners in Y7-13. Uploaded regularly onto GC, to be completed in learners' own time, at your own pace.	Internet access
Brilliant Club	Mr Wahid	Learners in Y7 complete two or three projects to widen their knowledge in English, Economics & Law. Learners complete a challenging report and/or presentation on the projects. Ending with a graduation ceremony to highlight their achievements.	Classroom
Scholars Programme	Mr Wahid	The Scholars Programme helps learners develop the knowledge, skills and confidence to progress to the most competitive universities. Learners are grouped with PhD tutors. PhD tutors share their subject knowledge and challenge the learners to complete university style dissertations on a particular field of interest.	Classroom
Premier League	Mr Wahid	The top 20 learners based on progress are put head-to-head to compete against each other with a series of rewards to keep them going. Learners are given presentations on further education and the opportunity to explore different career avenues of their choice after school on Friday.	Library for presentations & C6
