

AUTUMN TERM 2024 CO-CURRICULAR CLUBS

Please note that after-school clubs will finish at 16:15 p.m.

Club Information

ACTIVITY	STAFF LEAD	ABOUT THIS CLUB	EQUIPMENT NEEDED
Football	PE Dept	If you'd like to come down and play some football with your mates, maybe get the chance to compete for the hugely successful Harrow High School football team, then we'd love to see you. Come down and join the rest of your year group each week!	PE Kit Water Boots
Volleyball	PE Dept	KS3 volleyball! If you would like to come and play some volleyball open for everyone!	PE KIT and water bottle
Netball	PE Dept	Why Netball Club? It improves hand-eye coordination, builds up muscle strength and stamina and develops the body's cardiovascular system. Improves the body's flexibility and nimbleness. Moreover, it burns calories, and lowers body fat if played regularly, improves upper body strength by working key arm muscles and develops depth perception.	PE Kit Water
Basketball	PE Dept	The extremely successful Basketball Academy provides you with an amazing opportunity to be active and get better at Basketball while learning important life values and skills. You'll learn what it means to be part of a team, what it takes to reach your goals and most importantly have fun! With strong links with a National League Club, those who take part are given the opportunity to represent the School and compete in the Borough Leagues, the Jr. NBA League, the National Schools Competitions and will get the chance to be part of the Harrow Team that competes in the London Youth Games.	PE Kit Water
Badminton	PE Dept	Come along, de-stress, have some fun all while improving your badminton skills.	Trainers
Gym - Weights and Fitness	PE Dept	Fitness club is about having fun while improving your fitness with other people around you. Within the fitness	Water PE kit

		club we aim to exercise in fun ways using different equipment, completing challenges and competing against each other. Most important of all it is an opportunity to become fitter, with the reward of achievement points/prizes for completing challenges. Come and join one of the most popular clubs around and bring your friends with you!	Small towel/flannel
Medical Society	Mr Patel	If you are interested in a Career in Medicine, Dentistry, or any Healthcare Science such as Pharmacy, this is the club for you. Using resources from Kings College Medical & Dental School, you will be supported in making applications to these competitive university courses with mock interview prep, admission testing preparation, and have an opportunity to debate topical issues and debates.	N/A
Army Cadets	Mr Al-Fahad	The army cadets provide leadership development and an insight into military life. activities include drill, basic military skills, climbing, swimming, canoeing, shooting, survival training, first aid, signals, fieldcraft, assault course, equestrianism and paintballing. An annual residential camp in Ministry Of Defence training areas also takes place.	Army cadet uniform
Code Club	Mr Shah Mr Hughes	Code Club is a weekly opportunity to spend some time working on your coding. There are plenty of resources you can use, competitions to enter, rewards for attendance, etc. In the past, students usually found that they made good friends in Code Club, and really got ahead in CS, many of them also getting the highest grades. You are very welcome to become a part of this community. For KS4 students you are welcome to come along for extra support and practice to help with your GCSE studies as well.	None
Punch Needling Club	Ms Bowen	The Punch Needle Club offers students a creative outlet to explore the art of punch needle embroidery, a fun and relaxing textile craft. In this club, members will learn the basics of punch needling, including choosing the right materials, creating patterns, and mastering different stitches. Students will have the opportunity to design and create their own unique projects, while developing patience, creativity, and	N/A

		fine motor skills. Open to all levels, this club is perfect for anyone looking to express themselves through fiber art	
Board Games	Mr Turner	Welcome to Board Games Club, it's an opportunity to come and play some of the board/card games you used to play, still play or come if you want to learn something new. Classic games such as Scrabble, Battleships and Chess will be available along with more modern games such as Fortnite Monopoly and Pokémon (you will have to bring your own).	Your own Pokémon cards (if applicable to you).
Cinema Club	Miss Serena	Welcome to the Cinema Club, where movie magic meets a relaxed atmosphere! Each week, we gather to explore a diverse selection of films - from timeless classics to the latest blockbusters. Bring your favourite snacks!	N/A
Big Sister Club	City Year	The Big Sister club is a club that is a safe space to make new friends, play games and seek advice from our sixth formers - your big sisters. Come along to play some games, learn the latest dancing trends and have a chat. You'll be able to talk openly in a less formal environment; and discuss anything you might feel uncomfortable or uneasy discussing with adults - it's open to all year groups and genders so don't feel shy! See you soon!	N/A
PLUS Club (LGBTQIA+ and Allies)	Ms Z & Mr Hooper	For all learners and staff who identify as 'other' or who are allied to a more progressive way of considering identity, gender and individuality. We discuss topics each week and also devise campaigns for more inclusive learning behaviours within, and outside of, school.	Keep in touch via our chat group on Google classrooms
STEM Club	Ms. Hajee Mr. Miltenburg	Science is an extension of everyone's natural curiosity and is infused in our everyday lives. We have the wonderful opportunity to aid students in their investigations of the worlds of Biology, Chemistry and Physics. The Science Department seeks to: *Promote a passion within students and inspire	N/A

		<p>students to have a strong interest in Science.</p> <p>*Encourage and teach students to work independently and together successfully as a team.</p> <p>*Prepare students from the onset for their GCSE's by developing skills in challenging topics</p> <p>*Foster an inquiring and nurturing environment that boosts confidence and self esteem</p>	
Creative Writing	City Year	Join a community of budding writers. In this club we will engage in a variety of writing tasks for those who love to write and share their imagination through storytelling.	Creativity Pen and paper
EAL Reading and Homework Club	Ms Sava	Would you like to become a motivated and engaged reader? If you love books, either paperback or e-books, we have all types waiting for you. Read at your own pace and level. Online reading programmes are also offered. Become an engaged reader while playing. Bilingual books available.	Your own book if preferred
English Homework Club	Ms Grunwald	Do you struggle to complete your English homework at home? Drop into our after school homework club where there will be English teachers available to support you in completing any homework you have and answer all your questions! There will be snacks too - come and bring your friends along as well.	Homework booklets, exercise book and a pen
Maths Homework Club	Mr Parekh	This club is for you if you want to enhance your independent study with the guidance of a dedicated Maths teacher. Our aim is to provide support for understanding the concepts you are learning about in lessons, as well as developing important study skills.	Maths homework /revision book, Maths equipment
Inclusion Homework Club	Ms Bulgariu	Do you need any help with homework? Do you need a cosy room and a laptop to catch up with your work or maybe? Please come and join us in Inclusion and we will make sure you get everything you need. This club is also for anyone who wants to develop their English skills. We will be more than happy to provide you with interesting resources.	Homework
EAL Homework	Ms	If you want help to do your homework or you just	N/A

Club	Ramphal	want to make sure that you are doing it correctly, this club will keep you on the right track. If you do not have wiFi at home and want online access to homework or extra work, chrome books are available, ready and waiting to be used.	
MFL Homework Club	Miss Caro	Keep up with your MFL (Italian/Spanish) homework with help from your teachers. If you require dictionaries, support, guidance, or just a quiet space to do your homework, this is your place!	Spanish/Italian Homework and a black pen
Duke of Edinburgh	Mr Al-Fahad Ms Ginesta	Through a DofE programme young people have fun, make friends, improve their self-esteem and build confidence. They gain essential skills and attributes for work and life such as resilience, problem-solving, team-working, communication and drive, enhancing CVs and uni and job applications.	N/A
Letter Together (Penpal Programme)	Ms Ortega	<i>¡Hola!</i> Do you want to make new <i>amigos</i> from <i>España</i> ? Do you want to exchange letters with real Spanish <i>estudiantes</i> ? Do you want to take your writing skills to the next <i>nivel</i> ? Then join our penpal programme! <i>¡Hasta pronto!</i>	A pen and good vibes
Embroidery Club	Ms Z	After the resounding success of the bookmark making workshop last year, join us after school to continue your bookmark or start afresh! Learn new stitches to take your bookmark up a level in a relaxing space after school.	N/A
Karate club	Mr Hooper	Learn the basics of traditional Shotokan karate. You are welcome to join as a complete beginner or more advanced student. We learn karate through practicing, basics (<i>kihon</i>), forms (<i>kata</i>) and pre-arranged sparring (<i>kumite</i>). You should also expect to take part in some endurance training and padwork.	PE Kit or your own <i>keikogi</i>
Games Club	City Year	We will be venturing through different games as a	N/A

		<p>way for learners to decompress and relax before they start lessons, giving them an environment to be excited and chat before entering lessons. Attempting to get those unnecessary conversations out of the way. We will be playing card games such as UNO and TopTrumps and also giving learners the opportunity to suggest more games that should be included within the club.</p>	
Debate	City Year	<p>Calling all fellow debaters. Harrow High has something for you. Is there a particular topic or issue that fires you up? Then come and join us. Whether you're an avid debater or you just want to develop your presentation and speaking skills, debate club is the place for you.</p>	N/A
Chess	City Year	<p>We will organise a friendly space for learners to play chess as well as be taught new strategies to play with. Open to those of all abilities and an environment to meet new people or make friends. This will include, after some time, introducing an in-house tournament for learners to compete against each other, making sure everyone can be sufficiently engaged.</p>	N/A
Anime	City Year	<p>Go over literature and imagery, both manga and anime videos, discussing themes explored, similarities and inspirations taken from other anime. Per week we will either go over anime, watching 2 episodes of a specific anime, or go over a few chapters of a manga, leaving room to discuss what went on. Learners will also have the opportunity to suggest what Anime/Manga to cover in future sessions - thus making it more inclusive and enjoyable for the learners.</p>	N/A
SEND Club	City Year	<p>A friendly, warm and space environment for invited learners to paint, play games and have conversations with staff during break and lunch</p>	N/A
Inspire Programme	Mr Wahid	<p>The St John's Inspire Programme is a series of events, visits, workshops and online contact for pupils in Years 9. To encourage pupils with exceptional promise to aim high, to stretch themselves academically and to be confident in making well-founded applications to a top university like Oxford</p>	N/A

		Invited learners only	
Brilliant Club	Mr Wahid	Learners in Y7 complete two or three projects to widen their knowledge in English, Economics & Law. Learners complete a challenging report and/or presentation on the projects. Ending with a graduation ceremony to highlight their achievements.	N/A
Premier League	Mr Wahid	The top 20 learners based on progress are put head-to-head to compete against each other with a series of rewards to keep them going. Learners are given presentations on further education and the opportunity to explore different career avenues of their choice after school on Friday.	N/A

Details about club locations can be found on the Co-curricular timetable.
