from the Torah scrolls which are taken out of the Ark.

The Ark is a cupboard where the Torah scrolls are kept when they are not being read. In a synagogue you will also find a menorah, the Star of David, the Ten Commandments displayed, an everlasting candle and the Bimah, a platform where the Torah is read.

Moses was a very important person in the story of the Jewish people. The Jews were slaves in Egypt and it was Moses who helped them out of slavery.

The Pharaoh would not let the Jewish people go until God sent 10 plagues to Egypt. Moses gave the Jewish people leadership and strength when they struggled with their faith in God and led them to safety across the red sea.

Examples of the plagues:

- Water turned to blood
- An influx of frogs
- Boils on humans and animals
