Club Information

ACTIVITY	STAFF LEAD	ABOUT THIS CLUB	EQUIPMENT NEEDED
Football	PE Dept	If you'd like to come down and play some football with your mates, maybe get the chance to compete for the hugely successful Harrow High School football team, then we'd love to see you. Come down and join the rest of your year group each week!	PE Kit Water Boots
Volleyball	PE Dept	KS3 volleyball! If you would like to come and play some volleyball open for everyone!	PE KIT and water bottle
Basketball	PE Dept	The extremely successful Basketball Academy provides you with an amazing opportunity to be active and get better at Basketball while learning important life values and skills. You'll learn what it means to be part of a team, what it takes to reach your goals and most importantly have fun! With strong links with a National League Club, those who take part are given the opportunity to represent the School and compete in the Borough Leagues, the Jr. NBA League, the National Schools Competitions and will get the chance to be part of the Harrow Team that competes in the London Youth Games.	PE Kit Water
Badminton	PE Dept	Come along, de-stress, have some fun all while improving your badminton skills.	Trainers
Gym - Weights and Fitness	PE Dept	Fitness club is about having fun while improving your fitness with other people around you. Within the fitness club we aim to exercise in fun ways using different equipment, completing challenges and competing against each other. Most important of all it is an opportunity to become fitter, with the reward of achievement points/prizes for completing challenges. Come and join one of the most popular clubs around and bring your friends with you!	Water PE kit Small towel/flannel
Dodgeball Club	PE Dept	Want to release some steam, throw the ball as hard	Trainers and

		as you can and make new friends? Why don't you come along to dodgeball club during your break... Not only you will be learning new skills like agility, hand-eye coordination and muscle strength but you will also have lots of fun.	water bottle

Beatbox Club (NEW!)	Mr Cave	Do you know your boots from your cats? Whether you're an absolute beginner wanting to learn how to beatbox, or you're a Grand Beatbox Battle champion looking to hone your skills and make music with other students, come along to Beatbox Club and train in the wonderful art form that is replicating drum kits and sound effects with just your mouth. Based in M5 on Thursdays's 10:50am - 11:40am. Open to all learners (Year 7 - Year 13).	A mouth
Maths Clinic-(Drop in sessions)	Mr Hanson & Mr Hady	Attending a maths clinic is important because it gives you extra, focused support beyond normal lessons. 'In short, a maths clinic is like a safety net and a booster: it helps prevent you from falling behind while also pushing you towards higher achievement in Mathematics'. <u>Some key reasons why you should attend:</u> Individual help – You can ask specific questions you might not get to in class and get explanations at your pace. Confidence building – Working through problems with guidance can make maths feel less intimidating. Fills knowledge gaps – If you've missed a lesson or didn't fully understand a topic, the clinic helps you	Exercise book or your own questions. Mathematical set Calculator if the question demand the use of a calculator

		<p>catch up.</p> <p>Exam preparation – You can practice tricky problems and learn strategies that will help in assessments.</p> <p>Good study habits – Regular attendance shows commitment to learning and helps you stay on top of your work.</p> <p>Extra resources – Teachers often provide tips, worksheets, or methods not always covered in class.</p> <p>Collaboration – You can work alongside other students, share strategies, and learn from each other.</p>	
Traitors Club	City Year	The Traitors Club is a game of trust, strategy, and deception. Complete challenges, form alliances, and figure out who's secretly working against the group before it's too late.	N/A
Cinema Club	City Year	Spend your break relaxing while watching movies/series.	N/A
