Noise must not be above the normal level created by conversation or small groups of live singing. Music may be played quietly but may not be played at a level that could be considered to be a nuisance. The arbiter of the noise level is the Duty Site Supervisor and any failure to comply with his or her instructions will lead to the cessation of the event.

If you are in any doubt concerning your particular event please contact the Environmental Health Officer at the London Borough of Harrow.

6. Additional facilities

- 6.1 No additional staging, curtains, decorations or scenery may be erected without the Academy's consent, which will only be given if all of these items are rendered non-flammable and removed at the end of the let. Storage facilities cannot normally be provided. The use of sticky tape on any surface is prohibited.
- 6.2 The use or movement of Academy clavinos and piano is granted only on application to the Academy and must be carried out under the supervision of the Duty Site Supervisor.

The burners on top of the cooker may be used to boil water. No portable cooking equipment is allowed on the premises. Sinks may be used but not the sterilising sinks. No other equipment such as pans, cutlery or plates may be moved or used. The kitchen, including cookers, work-tops, sinks and floors must be left clean.

To apply for registration please contact the Registration and Inspection Unit on 8424 1948 between 9am and 11am on weekdays and speak to the Duty Officer.

8. Applications by External Organisations Providing Activities for Children and Young People

To ensure that all organisations who use the premises comply with the guidelines recommended by the Local Safeguarding Children Board and Department of Education (DoE), detailed below are some requirements we expect all organisations to be able to answer and provide evidence of, where requested:

The point of contact for access to the file of professional and character references of all staff that have contact with children.

A Child Protection Policy which includes specific arrangements for dealing with the event of a child being uncollected after the activity finishes.

Copies of DBS checks on all staff before they are left unsupervised with children. A named person within the organisation responsible for Safeguarding

A record of appropriate qualifications and registrations held by staff.

- 9.3 Where the hirer does not have appropriate public liability insurance cover and is an individual or a non-profit making organisation/charity, this will be provided by the Academy at a cost to the hirer of 7% of the hire charge. Proof of your status will be required.
- 9.4 Where the hire is a concession, insurance will be applied to the full hire charge before any concession is applied.
- 9.5 Where the hirer charges members of the public for the service it is hiring the premises for, the hirer may be deemed to be a profit making concern. It will therefore be the responsibility of the hirer to provide evidence of adequate Public Liability Insurance cover as in 9.2 above as the Local Authority Insurance cover will not suffice. The Public Liability Insurance must be taken out in the name of the organisation/business and not in the name of an individual. If the hirer cannot provide evidence of adequate cover, the hire will not be permitted. Further clarification can be sought from the Academy Finance Office.
